Dear All

We just wanted to say a huge thank you for supporting Marc, Anna and Gracie at their Glam & Glitz event on 6<sup>th</sup> May, the Bose headphones raised £350 in the auction.

The money raised is so important because right now, there are 4 million people in the UK with diabetes. In Wales alone it is estimated that over 241,000 people are living with diabetes.

We are the leading UK charity that cares for, connects with and campaigns alongside people with and at risk of diabetes. But we can't do that without people like you.

The money raised means people with diabetes can keep getting the information, advice and support they need, we can keep campaigning for better care, and our scientists can keep finding new ways to treat diabetes, prevent it and one day cure it.

We hope you'll pass on our thanks to everyone who was involved because without them, and you, none of our work would be possible.

Thank you for helping to change the lives of people with diabetes.

Yours sincerely,

Joseph Cuff
